

## COURSES OFFERED BY CAMPUS OF OPEN LEARNING (COL) AT CENTRE FOR PROFESSIONAL AND TECHNICAL TRAINING, KESHAV PURAM

### Short-Term Courses for Students of DDCE School of Open Learning (SOL)

University of Delhi, through its Campus of Open Learning, has introduced short term courses to enhance the employability of the students enrolled with School of Open Learning. These courses have been designed with a focus on the areas where human resource is needed. At the end of the course, students are jointly awarded a certificate by University of Delhi and the Industry Partner. Most of the courses are of 6 months duration which includes 2 months of internship with the relevant industry. After completion of the internship, deserving students are assisted and placed with suitable organizations.
