

ABOUT THE PROGRAM

MBA-the two-year postgraduate programme designed to develop the skills required for careers in business and management. It is embedded with a high degree of flexibility, thereby allowing everyone to realize their educational capabilities and fulfil their career aspirations. The programme will enable participants to continuously learn, improvise, and grow in their career trajectory.

The structure of the course is closely aligned with contemporary business requirements. The MBA programme has a two-tier structure: it consists of a core curriculum (compulsory credit courses and compulsory non-credit courses), a summer internship and elective courses (optional courses in the second year). The first year is committed to develop business fundamentals through compulsory courses spanning the areas of economics, finance, marketing, etc. The second year offers number of electives, thus ensuring the students to have wide area of choices to build upon their desired area of pursuit.

DDCE is always student centric at its core and flexible enough to cater heterogeneous group of students with required customization. It is also committed to create a conducive environment for teaching, learning, and research for students and faculty. Continuous industry interaction is an added advantage to the students of this programme.
